Make a sheet for each reservation as a whole and one for each tribe. Please see that tribe sheets for a reservation add to the sheet for the reservation as a whole, for all items. If a reservation has five (5) tribes six sheets should be made for that reservation. (See back of page 16.)

INSTRUCTIONS

(*A*) A separate roll is to be made of each reservation; also, of each *rancheria* or reserve, and a separate roll of Indians allotted on the public domain or homesteading. The roll is to be based on enrollment and not on residence.

(*B*) Persons are to be listed by families alphabetically; that is, not only by the first letter of the surname, but also by the second and subsequent letters, when the first letter or letters are the same. For example: Abalon, Abbott, Abcon, Abend, Abict; Ball, Bell, Bill, Boll, Bull; Carley, Carmen, Carton, etc. Families having the same surname are also to be listed in this way, e. g.: Brown, *A*nson; Brown, *Bi*ll; Brown, *C*harles; Brown, *D*avid. In the case of English translations of Indian names, such as John *Flying-Elk*, Flying-Elk is the surname and is to be listed under F. In such cases the first word of the translated Indian name determines the alphabetical position. The best way to accomplish this will be to write the names of each family group on a separate card; then, arrange the cards alphabetically and type the names therefrom onto the census roll.

Members of a family are to be listed in the following order: Head, first; wife second; then children, whether sons or daughters, *in the order of their ages;* and lastly, all other relatives and persons living with the family who do not constitute another family group.

Annuity and per capita payment rolls are also to be prepared in the same manner.

(*C*) A family is composed of the following members:

1. Both parents and their unmarried children, if any, living with them; all other relatives and persons living with the family who do not constitute another family group.
2. Either parent and the unmarried children, if the other parent is dead; all other relatives and persons living with the family who do not constitute another family group.
3. A single person over 21 years of age, not living with a relative.

(*D*) For each person the following information is to be furnished:

1. NUMBER.—A number is to be assigned in serial order. Thus, the first person listed is to be numbered as "1," the second, as "2," and so on until the census is completed.
2. NAME.—If there are both an Indian and an English name, the allotment or annuity roll name is to be given. First, the last or surname; then, the given name in full. Ditto marks are to be used under the surname of the head for the surnames of the other members of *one* family.
3. SEX.—"M," for male; "F," for female.
4. AGE AT LAST BIRTHDAY.—Age in completed years at last birthday is to be shown. For infants under 1 year, age in completed months, expressed as twelfths of a year. Thus, 3 months as $\frac{3}{12}$ yr.
5. TRIBE.—Care is to be taken that tribe, not band or local name, is given. Thus, Ute tribe, not Pahvant, which is a band of Ute. Likewise, Hupa tribe, not Bear River, which is a local name for the members of the Hupa tribe living near Bear River.
6. DEGREE OF BLOOD.—"F," for full blood; "¼+," for one-fourth or more Indian blood; "−¼," for less than one-fourth Indian blood.
7. MARITAL STATUS.—"S," for a single or unmarried person; "M," for a married person; and "Wd," for widowed of either sex.
8. RELATIONSHIP TO HEAD OF FAMILY.—The head, whether husband or father, widow or unmarried person of either sex, is to be designated as such. For the other members, the appropriate term which designates the particular relationship the person bears to the head is to be used.
9. RESIDENCE.—
   - (*a*) At *jurisdiction* where enrolled: Yes or no. The term jurisdiction includes all reservations and public domain allotments under the agency.
   - (*b*) *Or* at another jurisdiction. The name of the jurisdiction is to be given.
   - (*c*) *Or* elsewhere:
     1. Post office: Both the proper name of the post office and the class by which it is known (city, town, village, etc.) are to be given. Thus, Lewiston, city.
     2. County.
     3. State.
10. WARD.—Yes or no. Wardship depends primarily upon the ownership of individual property held in trust or upon membership in a tribe living on a Federal reservation. See Circular 2145.
11. ALLOTMENT, ANNUITY, AND IDENTIFICATION NUMBERS.—"Al," for allotment; "An," for annuity; and "Id," for identification, before the appropriate number or numbers. All numbers are to be shown.

(*E*) Rolls not prepared in strict conformity with the above instructions will be returned for correction.

NOTE:- It is practically impossible to obtain accurate data regarding the Santa Ynez Indians. Former agency physician states that the Ortegas resent being classed as Indians. Parish priest states there were but few of this tribe he called genuine Indians, the others being mixed bloods, who do not call themselves Indians nor do they desire to be so called. Many of them live away from the reservation and in fact have lost their identity as Indians. Children of these Indians are entered in schools as "Spanish".

UNITED STATES
DEPARTMENT OF THE INTERIOR
OFFICE OF INDIAN AFFAIRS
FIELD SERVICE

MISSION INDIAN AGENCY,
Riverside, California.
December 9, 1932.

Commissioner of Indian Affairs,

Washington, D. C.

Sir:-

The receipt is acknowledged of Office letter of December 3, 1932, above reference, requesting additional information about Birth and Death reports.

We have made a careful check and have indicated on the margin of the Birth and Death Rolls, the names of the reservations. If you will refer to the Birth and Death Rolls for these reservations I believe you will find all of the names, with the following exceptions:

Birth Rolls

Spezili, ? , born Dec. 10, 1929, is not a Mission Indian. The father is a Swiss and the mother is a Sioux, known as Julia Little Bull Vegar Shields Spezili, enrolled at Pine Ridge Agency. She is going by the name of Julia Spezili at the present time. The child should be enrolled at Pine Ridge with the mother.

Mary Ann Murphy, Report of this birth was not received until after the 1932 census (Birth Roll) was completed. Supplemental roll is enclosed.

Death Rolls

Refugia C. Baron, while of Mission Indian blood, she was never carried on the census rolls of this agency, hence she was not included on the Death Roll.

Joe Pete. He was carried on the Torres roll of this agency but upon affidavits that he was not a member of that band he was dropped in 1921. As he was not on the census roll at the time of his death his name does not appear on the Death Roll.

Comm. Ind. Affairs
12/9/32.

Genevieve Salas. Not a Mission Indian, hence does not appear on the Death Roll. The only record we have is that she ~~is~~ was an Arizona Indians

Mary Ann Sanders. Is of Mission Indian extraction but not carried on any Mission Indian census, therefore does not appear on the Death Roll.

Canata Hacquic Sevale. Evidently of Mission Indian extraction but not carried on the census rolls at this agency. For this reason her name does not appear on the Death Roll.

It is noted from Office list of names that many of the surnames appearing on the certificates are at variance with the names on our Birth and Death Rolls. In cases of this kind we have inserted in parenthesis the surnames appearing on our records. These variations in names are explained by reason of the fact that oftentimes the Indians change their names.

Hoping the above information will enable the Office to locate all of the names on the Birth and Death Rolls and asking that you call upon me again if I can be of further assistance, I remain

Respectfully yours,

C. L. Ellis
